

Landscape Operative – Temporary (winter) contract 2025-2026

4/5 days per week (winter hours) £14.59p/h

Duration: 1st of November – 1st of March (Negotiable)

Based out of our Oldbrook Depot, we are seeking a hardworking and reliable landscape operative to join our team for the upcoming season. This is a hands-on, outdoor role that primarily involves operating heavy machinery and equipment in all weather conditions.

Key Responsibilities:

- General grounds maintenance throughout the winter months
- Safe and efficient operation of landscaping equipment, including hedge cutters, chippers and blowers
- Maintaining a clean and safe work environment
- Supporting the team with additional outdoor tasks as required

Requirements:

- Previous experience in landscaping, groundskeeping, or similar outdoor work preferred
- Ability to operate heavy machinery and tools safely
- Comfortable working outdoors in varying and sometimes extreme winter conditions
- Physically fit and able to perform manual labour
- Valid driver's licence preferred

What We Offer:

- Competitive seasonal pay
- Training on equipment and safety procedures
- Opportunity to work with a supportive and experienced team
- Potential for future seasonal employment

For more information, and an application pack, or to return your completed application form (with a brief cover letter) please email estates@campbell-park.gov.uk with the subject line winter landscape operative.
